Did You Know?

► August 26, 2020: Lake Travis Water Level was 663.63 (-17.47).

► According to the Texas Realtors Relocation Report (2020 Edition), there are 5 top states from which people are relocating to Texas: 1. California, 2. Florida, 3. Louisiana, 4. Oklahoma, and 5. New York.

► Point Venture developers Joel Cumming, William Canfield, Sidney Gaylord, and Lawrence Smith regularly bused prospective buyers from Houston to view the townhouses and lots, for which they provided free overnight stays in the townhouses.**

Let It Be Noted

► On August 19, 2020, the Village Council approved the following:

- Proposed tax rate of 0.1224/\$100 valuation.
- FY2021 proposed budget; proposed budget is posted on the Village website.
- Maximum \$21,000 allocation of funds towards Peckham Drive drainage issue.

► On August 19, 2020, Mayor Love announced the resignation of Councilmember Dan Olson.

► The Village has three unopposed candidates for three open Council seat positions: Steve Perschler, Steve Hafner, and Terry Petocz.

► Work on Fire Station #3 (Boggy Ford) is progressing with a potential opening in the Fall.

► Sheriff deputies have increased their security and will be providing weekly reports to the Village. Most of the recent issues are alcohol related and accidental injuries.

► WCID/AWR has discontinued all routine repair and maintenance of grinder pumps. Homeowners must contact a plumbing company to service their grinder pumps.

"It always seems impossible until it's done."

Nelson Mandela

Point Venture Spirit Award

On August 19, 2020, Mayor Love awarded Dan & Peg Olson the Point Venture Spirit Award, an award given to individuals who, through their selfless involvement, enrich the community of Point Venture.

Be Responsible & Safe

▶ With the current hot & dry conditions, please conserve water and electricity by limiting watering of lawns/gardens, unplugging fountains, and reducing power use, especially during the hottest time of the day.

▶ PLEASE slow down. Be aware that people are walking, running, golf carting, etc. Share the roads responsibly with these residents.

▶ Continue to make sure that those who drive golf carts are licensed drivers.

▶ Continue practicing COVID-19 updated guidelines.

Natural Solutions

▶ Peppermint plants keep away pests (rodents, flies, ants, etc.) without using chemicals. Create a spray using water and essential peppermint oil to spray wherever you want.

▶ Create a natural weed killer by mixing 1 gallon of white vinegar, 1 cup of salt or borax, and 1 T of dish soap. It works!

▶ To deter scorpions, spray diluted lavender, cinnamon, peppermint or cedar essential oils at entry points of your home.

▶ Add a couple of drops of diluted essential oils to your face covering for a breath of freshness.
